*Thank
You!*

Now is the time to save on chimney service!
The National Fire Protection Association recommends a chimney inspection at least once a year. Thus, as a thank you to our loyal customers, we are offering an annual discount.

If you act before **March 31st**, you can:

- avoid busy fall season scheduling frustration
- get early discovery of potential repair needs
- install screening/spark arrestors before nesting season

You can also save **\$40** on your chimney sweep and inspection and **\$10** on gas fireplace maintenance and dryer vent cleanings!
